JF Tamud, are you there?

NT Yes

JF It seems you are ready to start the next order of business in another incarnation?

NT Yes

JF Okay, where are we to be headed this time?

NT NT says you are to --

JF A period of time before Luxor and Spain?

NT Yes

JF 10th or 11th century?

NT No

LD Are you trying to get us to guess the century?

NT Yes

JF Is this Tamud?

NT Yes

JF Start before Luxor?

NT No

JF After Luxor you have in mind?

NT Yes

JF Was it before Spain?

NT Yes

JF Between 2,000 and 500 years ago? Near 5th century after Luxor, after that?

NT Yes

JF 600 A.D.

NT Yes

JF Closer to 700 A.D.? Yes. 800 A.D.? Yes 900 A.D.? Yes 1,000 A.D.? Yes 1100 A.D. Yes
1200 A.D.? (all the way up to 2,500 A.D.)

JF If you are an imposter -- get out

JF Are you the Tamud designated by Ibrahim to talk to us about Egypt?

No

JF Author of the Book of Miracles, can you come in?

May I ask who you are?

I am the Son of God.

JF May we have something more evidential?

NT, NT, NT

JF May I ask you, are you with Jesus at the present time?

NT Yes

JF We are hear to listen to the wisdom from your side, will you please guide us what we should do next?

NT, NT

JF Will you carryn on from now please?

NT We are going to tell you about the time when you were in ----

NM, NM, NM

JF Are you having trouble finding a word to translate into English?

NT Yes

JF Name of general area that exists now on earth (geographical area)?

NT N/A

JF Are you going to take us back to Atlantis or Mu?

NT Yes

JF General area now is Pacific Ocean?

NT Yes

JF In the vicinity of Atlantic Ocean also?

NT No

JF If we are talking about Mu, we are going back many thousands of years, is that correct?

NT Yes

JF Can you approximate time of how many thousands of years ago?

NT 15,793

JF Is that a correct figure?

NT Yes

This means that since we have no knowledge of names and places these will have to be indicated by you.

NT Yes. This needs your full attention as this is very complicated. You were here at Mu so long ago that it seems like forever.

JF We will do everything possible to cooperate to get the story completely and accurately.

NT, NT-- You, John, were a young man who was (NZ, NZ) extremely self-oriented and made people unhappy around you. You were more intelligent than most so you have the advantage.

You were not (NZ, NZ)

JF Jesus, are you there, would you like to continue

N/A

JF Makes no difference to me, we just want the truth. If there is something negative we want to hear that too, for there is a purpose in it. Whatever you can tell us we would appreciate (NZ, NZ)

JF What is it that you have to say NZ

NZ N/A. (we asked at this point if it would help to break this off for a few minutes)

NT What about 20 minutes?

JF Do you wish us to meditate or change our routine entirely?

(At this point we took 20 and meditated and started up again stronger than ever)

JF Are you there Tamud?

NT Yes. Here we go to Mu/ We are going to show you what happened there. We have been getting ourselves and you ready for this. Now to begin. This story will take longer than the other two but it will be worth it. We will introduce the principals first and then try to tell a story about each one. Then we will show how they all came together.

NT Here is JN. JN was a man who lived on the west part of the continent, near UPY. He had a wife and three children. He was a doctor and a lawyer in his community.

JF Two professions?

NT You have to remember that this was a different kind of society than you are familiar with now. He was a very well known and respected man for miles around. He went to school in the town of QUV. At the time starting our story he is 46. NT, NT.

Now JN

N I too want to tell you that we want you both to learn from this. Do you want to --- NA
NT We will go on then. The next one is CK from the south part of MU. CK is now at the start
of the story 24 years old. He is single and going to school at UPY. He is from the town
of OXY. He will go to school for 10 more years. NT, NT.

NT Now we have GZ. GZ is going to school also and is a girl. GZ is 21 years old and is
going to learn astronomy and religion. GZ is a very beautiful woman and intelligent.
She loved the out doors and often went for walks. She was not interested in men as she
had so many other interests. She was not going to stay that way for long. NT, NT

NT Now we have TU. TU was an old man at this time and he was living in the hills near XNO.
He was a wise man or psychic as you say now. TU had lived so long he knew everybody it
seemed just as he saw the future too. NT, NT

NT Next we have NX. NX lived with the family of GZ and knew them quite well. NX was not
a member of the family but just seemed to be therewhen anyoned needed her help. NX was
about 47 at this time. NT, NT

NT Next is HN. HN is now about 13 and is the brother of GZ. More about him later.

JF Are we both in this family just mentioned?

NT No.

8/27/76

JF Tamud, I know we have come to you rather abruptly but you wanted/to come to you more often whether this is convenient I don't know; ~~we~~ would you like to proceed with the story you were telling about the other day?

ANMNZYNXN, etc.

NT, NT

JF How are you today?

NT Okay

JF Are we in the right posture now to continue to ask some questions and you could tell us the story?

NT Yes

JF Did you hear our remarks concerning the fact that Jesus was with you the other day?

NT Yes

JF Would you care to identify that for a fact?

NT Yes

JF I am asking that in the sense that Jesus as a personality was with you, I know that you are constantly with Jesus in the sense that we are always with him; if there is a physical side of your existence was Jesus present in person with you?

NT Yes

JF The other day I wasn't certain of identification, should I at some future time ask him personally some questions?

NT Yes

JF Is Jesus with you now?

NT Yes

JF Jesus, would you care to identify yourself?
JC Yes

JF Please would you give us some positive identification?

JC I am the Son of God.

JF In studying the Book of Miracles I have been more ~~p~~ impressed than ever with the efficacy of your program on earth/ what you have initiated is certainly instrumental in abolishing guilt and fear and sin. May I ask what your purpose is with the Book of Miracles?

JC The book of Miracles will show you the way to that which you are seeking.

(2)

JF Would you mind giving us something concerning Judy and the people at the Columbia University? Is there anything you could tell us about them at this particular time?

JC Yes (jumble)

JF Tamud, are you still there with Jesus? Does Jesus wish to continue?

JC Yes. The Book of Miracles will not be read widely at first. The influence will come later from those first few who have been included in it. You are both in that number. This will become very important to you both.

JF Thank you so much elder Brother; we both thank you from the bottom of our hearts for giving us this step. The story of Mu will teach us more about our role in the Book of Miracles, am I right in that assumption?

JC Yes

JF We will try to absorb and learn all we can. Reality is actually on the the other side?

JC Yes

JF Tamud, would you like to continue now?

NT Yes. NT says you should learn about yourselves in the story as follows: When this took place you were both living on Mu. The time was early in the morning, and you were walking along a road in the country. (jumble)

LD Call NT

NT Yes. Lynne you were called J-A-M-N-I-A-Z (Asked for pronunciation like English "Janice.")

John you were called M-ALAMAZ. This is your last name. AMNUSTA, first name.

JF Were we married?

AN NT No. At the time you did not know each other. You were to meet later ~~within~~ when the rest of the principals came together.

(Much mumble, jumble followed)

NT, NT This is not your fault today. Try tomorrow.

8/27/76

JF Tamud, are you there?

NT Yes

JF Do we have things in order, do you think things are ready?

NT Yes

JF We have had some difficulty with our names, good starting point, okay?

NT Yes

JF Okay

NT Lynne's name was Janice. John's name was Arthur MATTAW. At this time Janice was in AXN and helped her family.

HN, HN

JF Does HN want to be recognized?

NT Yes

HN I want you to know that I am here to try to help with the story of MU.

NT Have you
NZ, NZ NZ

OXN was the town where Janice lived. This was by the sea. Janice was only 9 years old now. At her house there were many names; she had older brothers and sisters. They were very happy and she lived with only happiness around her. Her father was a sailor and was gone long times away from them. When she was about ten he never came back from the sea. Her life changed quickly; it was not her wish to leave home but she had no choice. Her mother was very sad to break up her family. Janice then went to her grandmother's in OXN.

NZ NZ

Janice wanted to be with her brother's and sisters. When she was 16 she went to Nk. NK was a friend who was very close and wanted her to have a better life. She sent her to school for learning about art and music. This she liked and soon she was a star pupil.

Her life so far had been so humdrum that she finally blossomed.

NT says that's all for now.

JF Is Jesus there; does he have something to say?

NT Yes

JC ~~NMM~~ Wait for the day that you -- wait for your time to come.

9/2/76

JF Tamud, are you there?

NT Yes

JF How are you and our friends on the other side?

NT Yes, NT, NT.

JF Do you care to pick up where we left off?

NT We were talking about Janice. The time she went to school was her best time. She was very confident that life would be wonderful. She knew that a friend was in trouble so she helped. The friend was not able to help herself. When Janice was going (NJ, NJ) She took her friend with her. She went home to see her parents and she wanted to (NZ, NZ). Tell her friend to be wary of strangers. Her friend was very grateful for this was her only friend.

The story is now to take you to Arthur. He was now ~~at~~ on his way to meet JN who was his wife. (corrected later) He wanted to see them and went home. They were glad to see him and they talked and laughed a lot at the homecoming. He had been away for a long time. He was now going to stay home for a long time. He was a man of great wealth (NM, NM)

NT At this time we are trying to decide how to proceed. (Keep getting triangle bit moving from "T" to "N" to "A.")

JF Triangle means with respect to human beings.

NT Yes

JF Janice and Arthur two parts to the triangle.

NT Yes

JF You are going to give us the third part.

NT Yes. The other part is the wife of Arthur. Arthur's wife is AW, "JN" still in the story. AW was not a good wife but was helpful in raising the children. This is why the triangle developed. We would like to tell you what you may want to know.

NT Janice did not have time for men but she and Arthur became friends when they met at a party in the MXA (JF guessed that must mean recreation hall or auditorium) where we heard the king speak on the problems of state. The people of Mu were very civic minded and concerned about these things. We want you to think about why this happened.

HN HN

HN Now I am ready (testing by moving back and forth across the board). The meeting was attended by (NM NM) JN.

JF Did we meet JN at the meeting and other officials of the government.

hn Yes. JN introduced you after the meeting. Arthur was about 61 years old. Janice was younger at 35. She had never married as she was too serious about her studies and found many interests in other ---

NT, NT We will be back tomorrow.

9/3/76

JEF Who is there?

NT NT

JF Resume the story?

NT Yes

JF Pick up where we left off?

NT Yes. At the time we were talking about the meeting that took place at MXA. (Interruption) At the meeting Arthur was not thinking about the problems of MU but his own life. He was not very content but seemed to be on the surface of things. At his age he thought he should be more knowledgeable. He didn't have the answers to life's problems. His wife was no help in these matters. He had everything materially that the people of his day and time had. Their life then was not much different than life in the U.S. today. This was how far they had advanced. Their minds, however, were lost in wanting the wrong things. Mu (was not very large) and was the resting place for numerous souls.

Janice wants to know how this happened. She is going to find out who knows the name of the victim so she can warn them and bring the corruptors to justice.

LD Is Janice psychic?

NT Yes. The story now goes to another place. This/on the far side of Mu (several hundred miles away). The main concern here is people and their relationships.

TNA (another triangle again). This is JN

JN was a kind man who found more happiness in his life than Arthur. He was a man who lived in (interruption) fear. (We had to guess fear, danger conflict) His way was too dangerous. His work was in conflict with his morals. He could no longer keep up with his conflict weighing on his mind. He soon sought the help of his uncle who lived alone. He was known as the wise man. He had helped before. He also knew the future.

NT, NT We will be back next week...

JEF Who is there today?

NT

JF We haven't seen you for quite sometime

NT Yes

JF Are you ready to resume story of MU?

NT Yes

JF Will you make a beginning?

NT Yes. We are here to continue the story. We will help you understand many things. We will try to make some sense. Will you be patient? The saga of Mu is very important for your development. When you were in Mu you were both very influential. You, however, could not stop the disaster to overcome it (Mu). Arthur was attempting to convince those in higher places to avoid what he was certain was coming. Janice, who was psychic, had seen it all very plainly and told Arthur what she had seen. This was the beginning. Janice was sure that it was true. She was very ---- cautious about whom she told and Arthur was sure this was so.

At the town of LNX, near the West coast of Mu, lived another person who became important in this story. This person was called (then movement went around and around in very strong circle).

JF Has circle got something to do with personality involved?

NT Yes

JF Person of tremendous power?

NT Yes

JF Person you will never forget?

NT Yes. He was called NAMZ. When he was in Mu he was very powerful. He was a leader of the people. He worked night and day for justice for all men. He went from one side of the country to another. He was totally for the people but he held no office.

I am NAMZ. I came to you to let you know that I am trying to get through to your people because your problems are so similar to ours. We were not able to solve ours but you will. We will guide you along the way. I will lead you on the right path. (NAMZ goes out)

NT Have you had sufficient evidence today?

LD Yes

NAMZ This is what you need to jar you loose. We will talk to you soon.

NT See you soon.

10/11/76

JF Are you there Tamud?

NT Yes

JF Ready to give us further information?

NT Yes

JF Okay, is Namz there also.

NAMZ At this time we will take you to HN. When this started we went to the east coast near what is California or Hawaii called HAWAKAM. We went there to see what we could do for some families there. We wanted to help after the storm. This was our goal to help those in need and try to tell them of a better way. The people of this town were very difficult because they had been lost so long. Take heed, because some never learn.

Irregular pattern

JF Jesus, would you wish to talk about the Book of Miracles.

Irregular pattern

LD suggested it would work out better to have Tamud speak for Jesus.

NT He wants you to know that he is in touch with you both and will ---
He wants you both to be aware of his presence with you always and that he will help you understand that which you have to learn. At this time you will begin to learn many more lessons of life. You are making progress even though it doesn't seem so at times.

(About Helen and Bill) They are anxious to talk to you right now, John, because they need your wisdom and guidance. They are unsure of themselves because of the magnitude of this project. - NMZ TU was one of those who was close to the source. TU went to the city on one occassion to see Janice. Janice was very happy to see him as she had many questions. Janice wanted to know about what was going to happen to Mu. TU was able to tell her exactly what would happen to Mu but she did not want to believe him. He was most sorrowful but realized the difficulty in believing about it. TU went home back to the hills. Janice told no one.
